Mr. Robert M. Macy  
Chief, International Division  
Bureau of the Budget  
Washington 25, D. C.

Dear Mr. Macy:

Attached is a schedule of transfer of [redacted] to CIA. This transfer is proposed in order to accomplish the objectives of [redacted]. The transfer has been discussed with you on a number of occasions.

Since it is contemplated that the project will be initiated in the relatively near future, it is our desire that transfer of funds be initiated as soon as practicable. In order to carry out the usual funding we have scheduled the transfers to begin on Tuesday, 15 September 1959. Your favorable consideration of this request by or before Monday, 14 September 1959 will be greatly appreciated in order that the schedule will be effective. It will be necessary, of course, to have two copies of the approved schedule returned to this office since the original of this schedule will be submitted to the Agency transferring the funds to the Agency for their records. If there are any further questions concerning this proposed transfer we will be pleased to furnish such supplemental information as may be required.

Very truly yours,

E. R. Saunders  
Comptroller
